Thank you for your internet representation made on 2nd September 2020 which has been recorded as an objection with the comments as follows:

OWPC29361

NPPF S9 Sustainable transport - Govts Post Covid ambition
Site seems to lack detail on how residents can move around and from and to site by Sustainable transport. Theycould have embraced the Vision of supporting the Village in creating a Greenway using the old canal but no mention of this.
This new site should be embracing the sustainability, climate change, well being agenda and unless it does it should not be allowed to be built
