Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No:	Y/78/20/RES
Site Address:	Land East of Drove Lane Yapton BN18 0EB
Description of works:	Approval of reserved matters following outline consent Y/92/17/OUT for 300 No.dwellings covering landscape, layout, public open space, drainage, scale & external appearance. This application affects the setting of listed buildings, affects the character & appearance of the Main Road/Church Road, Yapton Conservation Area & affects a Right of Way. This site falls within Strategic Site SD7 (Zero Rated).

Thank you for your internet representation made on 8th September 2020 which has been recorded as an objection with the comments as follows:

OWPC29472

The Village is trying to create a safe NMU route from Yapton to Barnham. It has been proposed that the Footpath running alongside the canal (Tack Lee Bridge to Drove Lane) could be upgraded for this purpose. With the hedge removed it would provide a safe route, provide wonderful views over to the Downs and be a good asset for the Houses. This submission fails to grasp the importance of the canal (and its protection) and the need for safe NMU routes.This option is supported by Local canal group and Village plan. It is suggested that this and the NPPF Sect 9 be revisited in an attempt to help mitigate Coastal flooding, Climate change and Post Covid challenges

Your views as made above will be considered before the application is determined.
