OWPC29496

Will extra schools, dentists, doctor's surgeries be built within these new homes. Yapton already doesn't have enough as it is for existing residents. Also will extra roads be open/built to take the new influx of more cars on the road. I am also but mainly concerned over lack amenities and/or sport facilities for particularly the youngsters in this area ... the skateboard area in the village green made an enormous difference to avoid young teenagers to accumulate and cause damage to property by throwing stones at our windows. I am concerned the overcrowding and lack of past time facilities in this area will increase crime and vandalism by the young folk. Please consider all of the above with the developer. Aren't they obliged to build such facilities as doctor's surgeries, dentists, sports facilities etc to accommodate ... surely they can't just build without the appropriate facilities.

Your views as made above will be considered before the application is determined.
