Dear Sir/Madam,

The enclosed plan was attached to our portal submission. It provides scaled plans of the cabinet.

The cabinet's position is already shown on the drainage plan submitted on the portal. Please check.

Please ignore reference to flue – amended statement attached.

As an aside, the statutory provisions for applying a local validation checklist do not apply to non-material amendments. You should not therefore be invalidating an application for any reasons you have given.

Please confirm the validity of our application accordingly.

Thank you

Kind Regards,

James
