Dear Paul,

We can't take this to the October Committee. We don't have any drainage comments, and I have just been made aware that someone at our drainage consultants involved in this case is now unavailable for a while. I don't see how we can recommend approval without the drainage objection having been removed. The next available Committee is therefore in November – 18/11/26. This application will however need to be subject to the National Scheme of Delegation Gateway Test before it can be confirmed as a committee item.

Kind Regards

Simon
