Hi Simon,

Thanks for forwarding – we picked this up earlier in the week and it is with our drainage engineer for response.

I will check the EoT with the client – sure it will be fine but I will confirm.

Dear Paul,

Please see attached the further comments from our Engineers which were received whilst I was on leave last week. We can allow a further month for you to respond to the issues provided you agree a new Extension of Time of 2 months (i.e. max 1 month to respond and 1 month for further consultation with Engineers) so until 24 September.

Please let me know if you can agree this.

Kind Regards

Simon
