Dear Simon,

Thank you for your email of 08 June 2026 consulting National Highways on the above referenced planning application.

The purpose of the consultation was to seek our views of the amendments to the application dated 27 May 2026.

We are concerned about the safety, reliability, and operational efficiency of the Strategic Road Network (SRN), in this case the A27 in the vicinity of the site.

Given that the conditions that are the subject of this application do not relate to or impact on the SRN, we have no further representations to make on the application as a result of this amendment.

We are content to rely upon our National Highways' Planning Response (NHPR) dated 26 January 2026 of no objection.

Should you or any others have any queries regarding our response, please contact us via [REDACTED]

Kind regards,

Nigel De Wit MRTPI, Spatial Planner
