Please don't approve planning permission this field is one of the only places left in Yapton that hasn't been destroyed to build more unnecessary houses,
Yapton is over populated as it is there's only one school one doctors and one pharmacy that cant cope with the influx of more people,

This is meant to be a village Yapton doesn't have enough facilities to support the mass amount of new residents you are trying to bring into the village the people of Yapton are tied of all these new neighbourhoods being built,

Nearly all of our country side which we used to enjoy has been striped and replaced with ugly built houses since all the new neighbourhoods that have already been built this village has been struggling to support the amount of new people who have already moved to the new neighbourhoods,
but all these companies seem to think you can just build hundreds of house without any thought on the impact of that community and if the area can support such an amount of people
