Dear Estella,

The plans still show changes to Unit 3. Please can you either remove this or add an annotation to show it is not part of the application.

Kind Regards,
Charlotte

Dear Ms Bodin,

Please could you substitute drawing no. 181359 / 02 with drawing no 181359 / 02A which is attached.

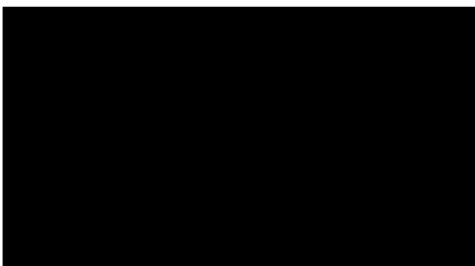

Please do let me know if this is acceptable?

Kind regards,

Estella

Dear Charlotte,

Thank you for your reply.

I will need to get Andrew to do this on Monday morning as he is not in the office this afternoon.

I trust this timescale will be acceptable?

Kind regards,

Dear Estella,

Thank you for your email.

Please can you amend the plans to make it clear that you are only applying for the proposed dormer. It currently looks like you are applying to convert the neighbouring unit to habitable use. As you have stated this is existing, please either show this on the existing plan as well, or remove it from the proposed plan.

Kind Regards,
Charlotte

Dear Ms Bodin,

With reference to your email of 23rd October, please find below the answers to your queries;

- 1) Residential unit is existing, only addition is a new dormer.
- 2) I can confirm our Client owns all properties within red lined area.

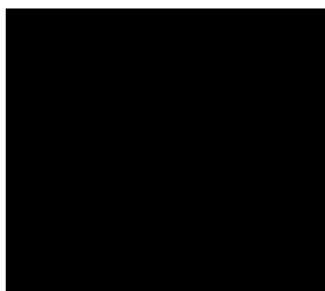

3) Lidsey Foul Water - already connected to drainage, no new connection required.

Please could you confirm that you now have all the additional information required in order to validate this application.

Kind regards,
