Dear Charlotte,

Thank you for for this information and your help.

I now attach the following:

- Location plan 2088.101A revised to show continuous red line around site.
- Block Plan 2088 103A revised to show note relating to dimensions to boundary.
- Proposed plans 2088.201C revised to show roof line which follows the line of the east garden wall, and dimensions to the boundary from roof.
- Copy completed Certificate of Ownership-Certificate B.
- Copy of letter sent to shared owner of the drive.

You will see that I have taken this opportunity to tweak the roof design and entrance to car port to facilitate better access into it.

Should you require any further information please do not hesitate to contact me.

Kind regards

Tim

Dear Tim,

As per our phone call please find attached letter which should have sent by email on 08/10.

Regarding point 3, please annotate the dimension on the roof plan, rather than the block plan as stated in the letter, as this is the plan on which it can be shown most clearly.

Kind Regards,
Charlotte
