Biodiversity

No updated protected species surveys or details of ecological mitigation have been submitted for the site so we are unable to establish whether the mitigation is suitable. Prior to determination we require that the updated surveys are undertaken and submitted along with the mitigation proposals for the site.

Policy ENV DM5

In line with Policy ENV DM5 of the Arun District Local Plan information on Biodiversity Net Gain needs to be provided as part of the planning application prior to determination. We require that information is submitted demonstrating what will be included within the scheme to meet this requirement. Examples of what we would be expecting to see include;

- Any trees removed should be replaced at a ratio of 2:1
- Wildlife pond
- Wildflower meadow planting used
- Filling any gaps in tree lines or hedgerows with native species
- Bat bricks / tiles are integrated into the buildings onsite facing south/south westerly positioned 3-5m above ground.
- Bird box to be installed on the buildings / and or tree within the garden of the property.
- Grassland areas managed to benefit reptiles.
- Log piles onsite
- We require that gaps are included at the bottom of the fences to allow movement of small mammals across the site
- hedgehog nesting boxes included on the site

Kind regards

Liz
