Whilst I appreciate that despite all our efforts and even winning our case in the Supreme Court, this site beyond the village boundary, was approved by a Government Inspector in outline for 100 houses. My principal objection to this detailed application is to the excessive height of some of the buildings. I believe it is in drawing A855_38 Apartment A floor plans and elevations which details 3-storey buildings. I believe this to be excessive in scale and totally out of keeping with the neighbourhood, especially as this adjoins a Conservation Area. With the beautiful countryside surrounding this site and the views of the South Downs in the distance, these overblown buildings will be totally incongruous creating a wholly urban approach to the village and altering for ever the charm and character of the area.

Your views as made above will be considered before the application is determined.
