Subject: Scoping Opinion

Dear Jonathan,

Further to our earlier conversation I would like to confirm that I am happy for you to use the location plans submitted as part of the original planning applications to form the scoping opinion.

For your reference we are only interested in the scoping opinions for the following two applications:

Bilsham Reservoir – y/60/10 /AG
 Lagness Reservoir – P/85/10/AG.

Could you please confirm how we should refer to the planning application numbers in our correspondence with yourself. Do the planning application numbers continue to be applicable after an application has been withdrawn? I only ask as we appear to have two planning reference numbers for the Lagness reservoir and I am unsure as to which applies, particularly as neither are shown on the website. The two numbers are: P/85/10/AG and NM/10/03683/PNO. Please advise on this issue.

Regards,

Emma Randall
