Subject: FW: Withdrawal of planning application

Dear Mr Parsons,

Further to your E-mail addressed to Mark Hooper dated 13th September 2010 we would like to formally withdraw the following planning application: Y/60/10 Bilsham Reservoir.

This application was originally given a deadline for an EIA to be submitted by 15th September 2010. After requesting a scoping study this was put back by yourself for a week, making today the deadline.

The reason for withdrawal is because of the information required for the EIA. After consulting with a local contractor, the parameters outlined for the EIA are unable to be achieved within the given timeline. Therefore, we would like to withdraw the application to allow us to compile the information requested based on the scoping opinion. We then intend to resubmit the application at a later date to include the EIA.

I would therefore like to request that all of the documentation relating to this application and the relevant fee be returned to the below address.

Kind Regards,

Emma Randall
