Hi Paul,

Thank-you for the sending the proposed plan. I am no longer dealing with this application. I have copied my manager in the email and it will be sent to the case officer dealing with the application.

Thanks  
Jasmine

In response to the comments from Julie Green please find attached updated plan 023A with new fence clearly identified in thick red line.

The applicant has been in contact with Julie Green via email to try and clarify what is being carried out and sent plan 023A.

I am not sure why there is still confusion as to where the fence is or what it looks like, it is a simple close boarded fence the same as what is already around the applicant site in other areas.

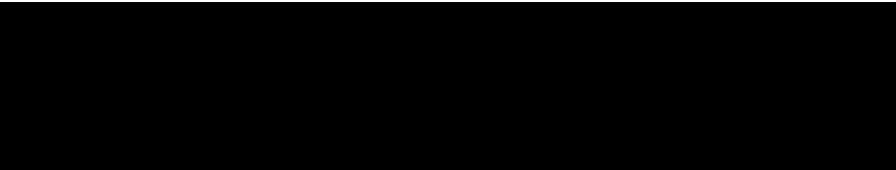

The fence is set back behind the sleepers so as to gain protection from manoeuvring cars.

Regards
