Dear Sir/Madam,

Re: Land SW of Drove Lane Farm, Yapton – Y/86/18/PL

I am emailing regarding this application for the variation of condition 4 imposed under Y/87/13/ to change wording from 25 years to 40 full years of operation.

Please take this as consultation request. I am consulting the EA as the majority of the site is within Flood Zone 3. The original application for the solar farm was commented on by the EA and the reference for this application (previous) is Y/87/13/PL

The statutory time for comments to be received is 21 days from the date of this notification (14/03/2019) which is 3rd April 2019.

Yours sincerely

Richard Castro-Parker
