Dear Cian

**INSTALLATION OF SOLAR FARM COMPRISING ERECTION OF SOLAR ARRAYS,
INVERTERS, TRANSFORMERS, EQUIPMENT HOUSING, SECURITY FENCING,
INTERNAL TRACKS & ANCILLARY EQUIPMENT. DEPARTURE FROM THE
DEVELOPMENT PLAN.
LAND SOUTHWEST OF DROVE LANE FARM YAPTON**

Thank you for consulting the Environment Agency on the above planning application.

Environment Agency Position

We have reviewed the application in relation to flood risk. I can confirm we have no objections to the proposal as submitted.

Planning Informative

Any works or installations within 8m of Main Rivers, or 5m of IDB ditches, would require a Flood Defence Consent from the Environment Agency. It is unlikely that consent will be granted for any installations within these distances as access must be maintained for operational purposes.

If you have any queries or require further information please contact me.

Yours sincerely

**Catherine McLeod
