Dear Nicola

I understand that you have contacted my colleague to ask why the application in respect of Main Road, Yapton, planning portal ref. PP-03748223 was resubmitted. The reason is that I put the dates that the development was begun and completed incorrectly on the first form, so I recalled the application, amended the dates and then resubmitted it. I trust this answers your query, if you require any further information please let me know.

Kind regards
