Dear Mr Davis,

Please accept this email as confirmation that the only matter for which approval is sought as part of this outline application (Y/88/18/OUT) is 'access'. Section 4 ('description of the proposal') of the application form is incorrect in that appearance, landscaping, layout and scale are all reserved matters, not to be considered as part of this application.

Apologies for the error and any confusion caused.

Kind Regards

Ben Daines MRTPI
