Dear Ben,

We need to agree a further extension of time please.

I have asked legal for an update and they have said that there has been no movement since their last update which was on the 3rd July and was that WSCC were waiting on some comments from the applicant regarding the permissive path clause (03/07/19).

Can we please agree til the end of this month (31/07/19). If you are unable to agree this extension or if the Section 106 cannot be agreed before this date then we may have to consider taking this to our Development Control Committee and asking them to determine this application as it stands. We cannot allow this application to hang around indefinitely and need to bring it to a conclusion.

Kind Regards
