Reference to Planning Y/91/17/out (Bilsham Road)-250 Houses  
Letter of Objection

We object to the building of 250 houses adjacent to Bilsham Road  
Yapton

The main reason is that the existing Services in this area cannot cope, adding another 250 houses on to the existing Services will surely overload the system.

The other objection that we have is the traffic.

Trying to get out of Bilsham Road at Comet Corner Junction. we can wait up to 12 minutes and up to 12 to 14 cars at least just to get onto the 259.

With the extra traffic from the new houses, it will put more strain on Comet Corner as the speed limit on the 259 at this junction is 50 mile per hour

What we can't understand is that all the money being spent on a cycle path when the people in the village would like either Traffic Lights or a Roundabout at this Junction to make it Safer for everyone.
