On Tuesday, 6 February 2018 19:08:49 GMT, Clive Rowe [REDACTED]

I am writing to inform you of the presence of Japanese Knotweed on land designated for the entrance to this site. I live in Park Road and this land run parallel to my property the Knotweed is just 2 metres from my property. Please could you inform Gleesons of this as it is my understanding that this needs to be eradicated before work commences & as land owners they have duty to get rid of it. I reported to the Enviroment agency who adviced me to contact the planning officer in charge of this site.

Yours Sincerely

Clive Rowe
27 Park Road
Yapton
