Hi David

Having re looked at this I can confirm that I have viewed the detail contained within the Fpcr Landscape and Visual Appraisal (DEC 2017) and confirm that the information submitted is sufficient and inclusive of photomontages and therefore I do not require any further in relation to LVA.

Kind regards

Sue

Hi Sue,

I have had the below email from the agent on Y/91/17/OUT.

Can you confirm that the Landscape and Visual Appraisal (DEC 2017) was considered.

Many thanks
David

Hi David,

I hope you are well.

We have now received comments from Greenspace on Bilsham Road. The comments reference that a landscape assessment should include photomontages to assist with the assessment. We have submitted a Landscape and Visual Appraisal produced by fpcr as part of the planning application and I wondered if you could clarify if this has been reviewed by Sue Howell?

Many thanks,

Zoe
