Dear All

I act for Pagham Parish Council in this matter.

Please can you advise whether or not it remains the Council's intention to recommend approval of these applications at the DCC on 14 November 2018 and if so the date on which the Draft S106 Agreements, conditions and Officer reports will be made available for public viewing.

Please place this e mail and any response on each of the above files and the files for Applications P/140/16 OUT, P/134/16 OUT, P/6/17 OUT and P/25/17 OUT as I and my clients consider that the manner in which the above applications are being considered by ADC and their determination are material to the consideration and determination of the Pagham applications and their related S106 Agreements.

Thank you
