Land east of Drove Lane Yapton

Thank you for your internet representation made on 18th January 2018 which has been recorded as **'an objection'** with the comments as follows:

Good Evening, I am completely against this new development. it's a ridiculous idea to even this yapton village can cope with more dwellings. I cover for work purposes the whole of the south east of england and I have seen the traffic between worthing and bognor regis has massively increased in the last 10years I have been a resident of yapton.... Village.... WHICH IT WILL LOSE THE VILLAGE LIFESTYLE IF IT VONTINUES TO GROW! I moved from Lewisham 10 years ago for a village life style and I will be forced to move with the crime rate increasing...my children have all gone to yapton CofE and now my sons class is over subscribed which is why they are having to share years now. in a tiny village and such small schools/shops/facilities and doctors surgery which I can not get an appointment for weeks unless I ring in the mornings and still normally struggle to get an appointment.....and still you wish to potentially put another 1500 people and at least 550 children in the area.....please see sense if you knock on every door in yapton,barnham,felpham,Elmer,Middleton eat I garrantee 99% would say this is an absolute joke.

so please examine the whole area before making a big mistake

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do

not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
