25th January 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with all matters reserved save access, for up to 300 dwellings, link road, surface drainage, open space and landscaping. Departure from the Development Plan and Access route is within the Yapton (Main Road) Conservation Area.

Land east of Drove Lane Yapton

Thank you for your internet representation made on 24th January 2018 which has been recorded as '**an objection**' with the comments as follows:

I object on many grounds:

1) Infrastructure is nowhere near sufficient for developments of this size, the roads are full, Yapton is regularly choked with traffic nowadays, how can the village sustain probably in excess of another 1000 cars, with this and the other propped developments.

2) Ingress/ egress out of the village is a major problem, the junctions at comet corner, oyster catcher, the narrow road at bilsham stores, the narrow roads by the school.

3) The development was not part of the neighbourhood plan that the village considered, indeed the ADC have imposed their wishes with their strategic thinking. I wonder how many of the ADC members or their appointed professionals who decided this are local residents?

4) Where is the so called demand for these houses, where is the work for these people,

5) there's no room in the doctors, schools etc, despite what the experts say. I wait 3 weeks to get a routine Dr's appointment these days, that does not suggest they have capacity to me.

6) The village has endured a sustained programme of development over the last few years. We've done our bit. i want to continue to live in a rural setting, not become part of a larger town. that was the choice I made when i moved here, and we are being ignored by this wholesale abuse of power by the landowners.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you

only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
