Mr D Easton

26th January 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with all matters reserved save access, for up to 300 dwellings, link road, surface drainage, open space and landscaping. Departure from the Development Plan and Access route is within the Yapton (Main Road) Conservation Area.

Land east of Drove Lane Yapton

Thank you for your internet representation made on 25th January 2018 which has been recorded as '**an objection**' with the comments as follows:

I fear that a further 300 dwellings in Yapton area together with the 250 proposed alongside Bilsham road (Y91/17/OUT) will drastically affect the local infrastructure namely traffic, school, Doctors Surgeries all of which are struggling to cope now. I understand also that Southern Water are objecting to proposal (44/17/OUT) for a development in Northend Road, Yapton as they do not have the capacity to cope and that is for only 70 properties. I understand that WSCC do not have the funds to improve the road structure in the Yapton, Bilsham and A259 Junctions for what would be an additional 500 plus motor vehicles all at one time

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
