Subject: Y/91/17out Bilsham Road 250 houses and Y/92/17 out Drove Lane 300 houses.

We are objecting to the above proposed plans. Our objections are:

1. The destruction of the habitat of the wildlife on the land.
2. The new development will cause increased congestion and higher volumes of traffic in the village, especially through Yapton main road and North end Road which are currently already very busy at certain times of the day.
3. High volumes of traffic around North end road where the school is will affect the safety of the children.
4. The local doctors surgery and school will struggle to accomodate the influx of Hundreds of extra people.
5. Why do we need an extra 550 houses locally when according to local estate agents there are approximatly 11 families looking for housing in Yapton.
6. Higher levels of traffic will affect local air quality.

Andrew and Donna Snelling.
