Subject: YAPTON PC additional response to Y/91/17/OUT and Y/92/17/OUT

Dear David

Thank you for your email of today's date, its contents has been noted.

I would remind you that whilst Yapton Parish Council supported these two separate outline applications covering Strategic Housing Site SD7 in Yapton, as a Parish, it had strong reservations.

YPC made it clear in both our responses to Y/91/17/OUT and Y/92/17/OUT that the current applications will have many mitigating impacts upon YPC's existing Community and believe that unless these are fully addressed both planning applications could not be successfully implemented. YPC's support was therefore conditional upon detailed and considered planning obligations and conditions being agreed for the whole site (SD7) to ensure a legacy that promotes a fully integrated and sustainable community which will have minimal impact on the existing Community and its stretched facilities but integrate the two in a positive and seamless manner. YPC is determined that both proposals must have an overarching public benefit for the whole of YPC and not solely for the new combined development. I would remind you that YPC remain of the view that this strategic site must fully address and promote the one primary school solution for the Parish thus safeguarding the village's social cohesion and inclusivity for future generations.

As a Parish we are therefore disappointed to learn that ADC is of the view that insufficient evidence has been brought to light to provide confidence in either proposal to effectively address these concerns especially with regard to satisfying YPC's concerns with regard to Primary education in the village, a scheme that reflects the character and heritage of the village and all the associated infrastructure concerns highlighted in our response dated 1st February 2018.

YPC fully accept ADC's need to refuse both applications at this point in time until meaningful and tangible action has been adopted to address these points. YPC understand that ADC have decided to complete this application under delegated powers and have no objection to this approach.

YPC await to hear the final outcome of this application

Yours sincerely

Vicky Newman

Dear Yapton Parish Council,

Following discussions earlier today between Cllr. Haymes and Karl Roberts please find below the reasons for refusal which have been identified by the LPA in relation to Y/91/17/OUT and Y/92/17/OUT. I would be grateful if you could please provide written confirmation of the withdrawal of the Parish Council's support for these applications.

Y/91/17/OUT – Land at Bilsham Road, Yapton

1. The application has failed to provide sufficient detail to adequately demonstrate that the proposed development will reflect the established character of Yapton or constitute high quality imaginative design giving a sense of place. The proposals are not of a sufficient quality for the Local Planning Authority to endorse the proposals and as such the proposal is deemed to conflict with policy GEN7 of the Arun Local Plan (2003); policies H SP2 and D DM1 of the emerging Arun Local Plan; and paragraphs 8, 17, 56, 57, 63 and 64 of the National Planning Policy Framework.
2. The application has failed to provide sufficient detail to adequately demonstrate that the proposed development will provide adequate mitigation for the impacts associated with transport and highways or provide adequate measures to encourage walking, cycling and sustainable travel. In the absence of these details, the proposals will result in severe impacts on highway capacity and safety. As such the proposal is deemed to conflict with policies H SP2 (k) of the emerging Arun Local Plan; and paragraph 32 and 34 of the National Planning Policy Framework.
3. The application has failed to provide sufficient detail to adequately demonstrate that the proposed development will make provision for open space of a sufficient size and quality and re-inforce existing green infrastructure. The application has also failed to provide sufficient detail to demonstrate that ecological enhancements can be provided and designed as part of an overall masterplan. As such the proposal is deemed to conflict with policies H SP2 (c, d and e) of the emerging Arun Local Plan; and paragraph 32 and 34 of the National Planning Policy Framework.
4. The application fails to provide for the necessary infrastructure, or make provision within the application site for this infrastructure, for education (primary and secondary), libraries, fire services, police services, leisure, health, playing pitches, highways mitigation, sustainable transport measures, walking and cycling, affordable housing. As such the proposal does not adequately mitigate against the impact of the development upon existing services and facilities. Therefore, the proposed development is deemed to conflict with policies H SP2 (n), H SP2c (SD7) and INF SP1 of the emerging Arun District Local Plan.
