Dear Lisa & Zoe,

I write to advise that the special development control committee scheduled for the 19th December has been cancelled. Unfortunately, due to outstanding issues with a number of the applications

which were intended to be presented the decision has been made to re-arrange this meeting for the new year.

Unfortunately, the first available date for the Development Control Committee to meet is the 23rd January 2019. However, this has allowed us the opportunity to meet with WSCC education and I am currently awaiting additional documentation following these discussions. This deferral does allow us the additional time to hold an advisory group meeting prior to determination of these applications. I will be speaking with Karen Garner today to identify a date for the advisory group meeting and will be distributing the agenda in due course.

However, given the change in date of the special development control committee meeting I would be grateful if you could provide written confirmation of your agreement to an extension of time until the 25th January 2019.

Please do not hesitate to contact me should you wish to discuss.

Many thanks,
David
