Dear Sirs

Further to my email and attachments of earlier today, I regret that there were two minor errors within the Transport Planning Statement, and the Site Plan was incorrectly coloured, so I am attaching revised versions of both, plus copies of all the other papers that are un-changed.

I should be grateful if you could ignore the original documents and substitute those that are attached to this email.

Regards.

Dear Sirs

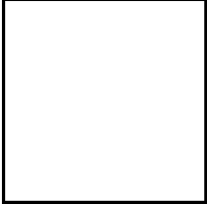

Further to the application I have today submitted on-line, I am now attaching a number of documents that I was unable to attach to the on-line application, namely:

1. Planning, Design & Access Statement
2. Transport Planning Statement
3. Landscape & Visual Impact Assessment
4. Site Plan
5. Indicative Layout (reduced to A4) - a full-scale copy of this will be posted to you today.

I should be grateful if you would kindly acknowledge receipt.

Regards.
