23/12/2014

To Mr Karl Roberts.

Dear Sir, re. Y/93/14/OUT. ^{40 Houses} North of School.
N.E. Rd
Once again I wish to protest against building locally, this time 40 houses north of Yapton School. If each house only has one car (most young couples have two) it means another 40 + coming into North End Rd, which is disastrous..

Where are the children going to be educated? The school is already full, + the Drs Surgeries in the area are struggling.!! I am horrified of crossing the road with the huge lorries constantly up + down to the Industrial Estate. Please ask some-one to look at the road around 8-00 - 9-00 each morning cars are bumper - boot. at the railway crossing! I do hope your department will consider these matters carefully.
