For the attention of Peter Cleveland

Dear Peter

Re: Land north of Burndell Road, Yapton

Please find enclosed a completed application form and Materials Samples in respect of Condition 3 of Y/48/13 to accompany the Materials Schedule previously issued via e-mail. Also enclosed is a cheque in respect of the fees associated with discharge of planning conditions.

Due to the size of the blocks, we have not enclosed a sample of the Dorset Flint Blocks but have enclosed a photograph of one of our plots built with the materials proposed.

We look forward to receiving confirmation that the proposed materials are acceptable but should you have any queries, or require any additional information in the meantime, please do not hesitate to contact us.

Yours Sincerely
for Charles Church South Coast
