Subject: Y/97/18/DOC Land off Burndell Road, Yapton (discharge of conditions associated with Y/19/16/OUT

All,

I am chasing responses re the following conditions. Those outstanding are as follows:

Conditions

07 – Landscaping scheme to include tree protection measures. Need input from Landscape and Tree Officers

09, 10, 11 – Other landscaping & POS conditions - need input from Landscape Officer

19 – Tim, you have provided highway related comments but this concerns a fire hydrant so will there be a further comment from WSCC Fire?

24 – Tim, this concerns measures to prevent surface water draining onto the highway. These conditions are usually requested by WSCC and our own drainage engineers have said that they will not assess the details so I need input from County, otherwise I will have to just to agree their details.

Kind Regards
