Dear Kathryn,

As per the below email, can you provide me with a copy of the approved S.278 drawings

Kind Regards

Subject: Y/97/18/DOC - Highways Surface Water Drainage - Condition 24.

Dear Simon,

With regard to condition 24 on the appeal decision – adopted/public highways surface water drainage (SWD) and preventing this from running onto the public highway - I can confirm that this element has been checked as part of the formal S278 Highways Works Agreement process for the junction works (bellmouth, localised road realignment and new footway) by colleagues in County's Implementation Team and is now acceptable. However for your own records, I would advise that you obtain copies of the approved S278 drawings. These should be sought directly from the applicants/their agents.

With regard to other non-highways SWD covered by other conditions, my understanding is that your own engineers are looking at these. Please confirm.

I trust this concludes the matter of adopted/public highways SWD.

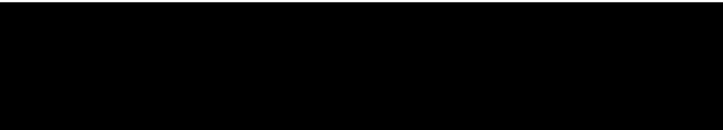

Regards,

Tim
