Dear Simon,

The path will be closed until next Wednesday. It will then be closed again for a period when works properly start on site.

Kind regards

Kathryn

Dear Kathryn,

Further to my email Monday, I understand that item (2) has been resolved. However, I have just had the chap chasing me for an answer to number (1). Please can you advise.

Kind Regards

Hi Kathryn,

I have had two emails from local residents of Fellows Gardens asking me question which I'd be grateful for your reply to.

1. I am a resident of Fellows Gardens and would like to know when the footpath off Burndell Rd will be reopened as it is my way of access to my allotment at Cinders Lane. At the moment I have to drive to the plot rather than walk on the closed footpath.
2. We now have workers vehicles parking in our turning (Fellows Gardens) please could you speak with them and inform them that this is a Private Road and not a construction compound.

I look forward to hearing from you.

Kind Regards
