RECOMMENDATION:	Advice
S106 CONTRIBUTION TOTAL:	£ N/A for purposes of this specific planing application

This is the WSCC County Highway Authority (CHA) response to the above application for approval of details reserved by condition imposed under ref Y/19/16/OUT relating to condition No's 5, 6, 7, 9, 10, 11, 12, 15, 17, 18, 19, 22, 23 and 24. Comments below respond specifically to highway matters only – so namely that contained in conditions 18, 22 and 23. A comment is also made about condition 7 (landscaping) but only in relation to visibility at access points and surfacing/materials used for any formal Public Rights of Way (PRoW). For all remaining conditions above, the LPA should consult the relevant specialists.

Conditions:

- 1. Condition 7 (landscaping)** – The applicant should ensure that any landscaping in areas required for visibility purposes (including that required for pedestrians) alongside accesses and road junctions be limited to grass or hard landscaping with a maximum height (when mature) of no greater than 0.6m. For any hard landscaping/materials used on the existing Public Right of Way (PRoW) within the site, comments will be forthcoming directly from the PRoW team to the case officer.
- 2. Condition 18 (street lighting)** – This is now confirmed conditionally acceptable in letter from SSE Contracting (Nathan Thayre) to the applicant dated 12th February 2019.
- 3. Condition 22 (car parking)** – Dimensions for allocated, unallocated and visitor parking spaces appear to be acceptable. The Parking Technical Note supplied with the planning application states the dimensions of the garages as being 6.0m long by 3.0m wide and this is now appears confirmed looking at the latest drawings.
- 4. Condition 23 (cycle parking)** – The cycle parking for properties 93-98 (south-western corner of the site) now appears to be shown shown covered and secure.

Other matters.

On-site vehicle tracking (fire appliance, refuse and cars) - ALI appear acceptable base don latest drawings.
