Dear Simon,

Thank you for your email.

We have previously asked Bovis if they would provide additional trees on the western boundary following a previous local resident enquiry but they are already going to be providing the hedge and therefore will not be providing any further screening.

Kind regards

Kathryn

Dear Kathryn,

I have just been speaking to a resident of Park Drive (no. 17) who is unhappy with the number of trees proposed to the rear of her boundary. I believe I had already asked you for more trees along the western boundary of the site (and obviously I am aware that the Res Matters has been approved) but I did say that I would ask again. She is looking for more trees along her fence line to provide screening. I am not sure she appreciates the hedging that will be added. However, I said I would ask.

Kind Regards
