Dear Kathryn,

Just to confirm, I have drafted all of the decisions so just need an answer on the foul drainage docs and then I can ask my Team Leader to issue the outstanding condition decisions.

Kind Regards

Dear Kathryn,

Can you advise which plans/documents you believe need to be referred to in the decision for Condition 6 (Foul). In the original application, you referred to the Drainage Note and two drawings but given that we have had further drainage related drawings (albeit in respect of surface water), I wonder if some of these are now relevant to foul?

Kind Regards
