Dear Simon, thank you for your email.

I can confirm that you should not have superseded those drawings. They were submitted to discharge this condition and have not been replaced.

Please see enclosed elevations for plots 1, 2, 3, 20 and 21. I am not in a position to provide you with the drawing for plot 19, however I can confirm that this plot will also have white painted timber windows.

I trust that the above clarification and attached drawings can enable you to discharge Condition 5 planning ref. Y/97/21/DOC.

Kind regards,

Dear Tom,

I am just writing up the decision for Y/97/21/DOC but have a couple of queries:

Firstly, when you submitted those additional plans I superseded the existing submitted plans including the following two:

TYPICAL DETAIL WINDOW HEAD SILL AND JAMB IN BRICK ELEVATION 0188 REVP01
TYPICAL DETAIL WINDOWS HEAD SILL AND JAMB IN TILED ELEVATIONS 0189
REVP01

Excuse the caps, I have copied the text from our system. Should I not have superseded these? Please advise.

Secondly, we have no plans referring specifically to plots 1, 2, 3 and 19-21 which are named in the condition. Can you advise the position in respect of these? Are they covered by the above plans? If they are then its not clear from the drawings.

I will also be able to draft the decision for Y/99/21/DOC today and it will be issued when my Team Leader has chance to review, hopefully tomorrow.

Thanks.

Good afternoon Simon,
Further to the email below, please can you confirm my understanding that the details submitted in respect of Condition 5 are acceptable? I would be grateful if you could let me know when to expect the decision notice.
I hope to be in touch shortly re Condition 6.
Kind regards,
