Dear Kathryn,

Please see email below from Laura. WE need to see the spec for the demountable fencing on the plan (or on a separate new drawing)

Kind Regards

Hi Simon,

Can we get a drawing of the demountable fences included on the boundary wall and fence details plan. Experience has taught us that a ground contractors understanding of demountable fences can vary significantly to ours. If it is provided on a drawing there can be no arguments.

Thanks,

Laura Gibbons, MEng, GMICE
