Good afternoon Simon,

Thank you for providing Laura's comments on the demountable fencing.

The demountable fence details plan (ref.18-1065-084 Rev A) has been revised to show that the major fences now have concrete posts with stainless steel bolts, washers and nuts as required.

The lower fence has been amended to show the stainless steel bolt fixings for the rails.

We would be most grateful if you could now confirm that this is sufficient.

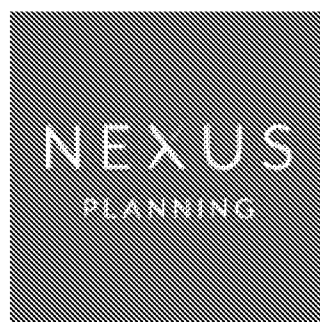

Kind regards

Kathryn
