Dear Simon,

Thank you for your email.

We have notified our client and they have confirmed that they will not be making any changes to the parking.

Please can you confirm if you are able to discharge any conditions and that once the drainage matters have been resolved you will be able to issue the decision.

Kind regards

Kathryn

Dear Kathryn,

I've just had a conversation with a resident from 25 Park Drive who has asked that the 4 parking layby spaces currently shown to the back of her house are moved southwards so that they are more to the rear of the parking court at the end of Fairholme Drive. I advised the lady that I would not force this change but that I would put the question to you.

Kind Regards
