Description of works: Erection of 75 No. dwellings with associated parking, public open space & the creation of a new vehicular access. This application affects the character & appearance of the Main Road/Church Road Conservation Area & affects the setting of listed buildings.

Thank you for your internet representation made on 11th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30249

We strongly object to this planning application.

We believe this and other planning applications for new housing estates in this and surrounding areaS are incredibly short sighted, driven by greed by those at the top.

None of these applications have taken into consideration the environmental impact, wildlife, traffic calming measures, new schools, new doctors surgeries, better facilities etc.

This makes us extremely angry that none of these have been considered for this small village which we believe is being made into a town.

Please do not let this consumption of our beautiful countryside and wildlife continue on.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the

decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
