Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: Y/98/20/PL
Site Address: Bonhams Field Main Road Yapton BN18 0DX
Description of works: Erection of 75 No. dwellings with associated parking, public open space & the creation of a new vehicular access. This application affects the character & appearance of the Main Road/Church Road Conservation Area & affects the setting of listed buildings.

Thank you for your internet representation made on 12th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30293

I am one of many local residents who lives very close to where these houses are planning to be built and I feel increasing the density of the houses by a further 35% will have a significant impact on the pollution, noise level, drainage (as the sewage is already coming up through the drains when heavy rain falls, especially on the S bend) and traffic will be dangerous. (as I have to take my life in my own hands getting out of my drive now), with the speed people are driving it's ludicrous. There is limited visibility coming from the junction and also there is an inadequate pedestrian system and low lighting in this area already.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely
