Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: Y/98/20/PL
Site Address: Bonhams Field Main Road Yapton BN18 0DX
Description of works: Erection of 75 No. dwellings with associated parking, public open space & the creation of a new vehicular access. This application affects the character & appearance of the Main Road/Church Road Conservation Area & affects the setting of listed buildings.

Thank you for your internet representation made on 16th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30479

When I met Seward's representatives in 2016 they said they would not "shoe horn" in as many houses as other developers would. Based on that discussion I chose not to submit an objection at that time. It would seem that is exactly what they now want to do. Given the numerous current and proposed developments in Yapton already this deviation from the original approved plan seems quite unnecessary. Their argument about addressing a demand for more smaller properties seems less credible than the fact they will make substantially more profits. They appear to be sacrificing quality for quantity. Yapton is already under significant pressure on its roads and various services. Even more houses will only affect the village in negative ways without making any positive contribution.

Your views as made above will be considered before the application is determined.
