Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: Y/98/20/PL
Site Address: Bonhams Field Main Road Yapton BN18 0DX
Description of works: Erection of 75 No. dwellings with associated parking, public open space & the creation of a new vehicular access. This application affects the character & appearance of the Main Road/Church Road Conservation Area & affects the setting of listed buildings.

Thank you for your internet representation made on 18th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30499

I object on the following grounds

1 In heavy rain Yapton Road floods at the S bends. On several occasions the manhole has spurted foul water and sewage contaminating the road and pavement. More houses will only exacerbate this problem.

Yapton Road is busy with traffic including agricultural vehicles throughout the 24 hour period. There have been a number of accidents within a mile of this vicinity. Additional houses will lead to more traffic movement and increase the danger to all road users.

3. Additional housing will lead to more strain on the already over stretched local infra structure eg. doctors surgeries, local hospital. There is also very limited public transport in this area.

Your views as made above will be considered before the application is determined.
