Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: Y/98/20/PL
Site Address: Bonhams Field Main Road Yapton BN18 0DX
Description of works: Erection of 75 No. dwellings with associated parking, public open space & the creation of a new vehicular access. This application affects the character & appearance of the Main Road/Church Road Conservation Area & affects the setting of listed buildings.

Thank you for your internet representation made on 28th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30741

When Seaward held the original consultation meeting with the general public one of their main selling points was that the development was to be small and characterful to fit into the surrounding environment. The increase in what amounts to 35% smacks of pure commercialism and will undoubtedly have a negative effect on the local area.

The site bounds a number of listed buildings as well as a conservation area and these should be respected. The developer is already showing scant regard for preservation of the conservation area by the way in which they are currently accessing the site, having seriously damaged the very old cast iron fence. I strongly object to this revised planning application.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
