Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: Y/98/20/PL
Site Address: Bonhams Field Main Road Yapton BN18 0DX
Description of works: Erection of 75 No. dwellings with associated parking, public open space & the creation of a new vehicular access. This application affects the character & appearance of the Main Road/Church Road Conservation Area & affects the setting of listed buildings.

Thank you for your internet representation made on 13th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31371

I strongly object to this 35% increase in density of this development on the grounds that it will have a significant impact on noise levels, pollution, drainage and traffic in the area. It no longer appears in keeping with, or sympathetic to, the surrounding conservation area. The significant increase in housing density will bring an extra burden on the local infrastructure which is unable to meet the current demand.

Your views as made above will be considered before the application is determined.
