

This architectural elevation drawing shows a two-story house with a gabled roof covered in shingles. The exterior walls are finished with brickwork. The front facade features six windows: three on the upper floor and three on the lower floor. Each window is a double-hung style with a decorative lintel and a sill. A central entrance is highlighted by a small porch with a flat roof supported by two square columns. The drawing is a black and white line art representation, showing the structural details and proportions of the building.

This is a detailed architectural elevation drawing of a building's exterior. The structure is primarily constructed of brick, with a gabled roof covered in shingles. A small, covered porch with a gabled roof is located on the left side. The drawing uses fine lines to represent brickwork and shading to indicate depth and perspective.

The second floor plan shows three bedrooms (Bed 1, Bed 2, and Bed 3), a bathroom (Bath), and a central staircase. Bed 1 is located on the left side, adjacent to a window (W.) and a door leading to an 'En suite' (en suite) bathroom. Bed 2 is on the right side, also with an adjacent window (W.). Bed 3 is at the top left, with a window (W.) and a door leading to a central staircase. The Bath is located at the top right, featuring a bathtub, toilet, and sink. The central staircase provides access to the third floor. The floor is finished with a light-colored material, and the walls are a darker shade.

A 3D perspective rendering of a two-story brick house. The house features a gabled roof with a wide overhang. The front facade has a central entrance with a small, gabled awning supported by two columns. To the left of the entrance is a large window with horizontal blinds. To the right is a large window with vertical blinds. The second floor has three windows: two on the left and one on the right. The house is set on a dark gray ground plane against a white background.

The floor plan shows a flat with the following layout:

- Living Area:** Located on the left, featuring a sofa, two armchairs, and a coffee table.
- Hall:** A central hallway with a door leading to the kitchen/dining area and a door leading to the utility room.
- Kitchen/Dining:** Located on the right, featuring a dining table with four chairs and a kitchen area with a sink and stove.
- Utility:** A small room at the top, containing a washing machine and a sink.
- W.C.:** A toilet located near the utility room.
- Stairs:** A staircase leading up and down, located near the utility room.
